INITIAL DATA REQUEST OF COMMISSION STAFF  
TO ATMOS ENERGY CORPORATION

Atmos Energy Corporation ("Atmos"), pursuant to 807 KAR 5:001, is to file with the Commission the original and five copies of the following information, with a copy to all parties of record. The information requested herein is due within seven days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry. Atmos shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any requests

to which Atmos fails or refuses to furnish all or part of the requested information, Atmos shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. In Case No. 2008-00499,<sup>1</sup> the Commission approved Atmos's request to modify and extend its Demand-Side Management ("DSM") program through December 31, 2011, which included approval to increase the amount of assistance in its weatherization program from \$1,500 per household to \$3,000 and to adjust its weatherization budget to reflect the actual increase in assistance.

a. Explain whether Atmos has implemented the modifications approved in Case No. 2008-00499.

b. Provide the number of households per year that have requested assistance in Atmos's DSM program from September 9, 2009 to date.

c. Provide the amount expended per year in the weatherization program from September 9, 2009 to date.

d. Provide the highest, lowest, and average amount expended per household per year in the weatherization program from September 9, 2009 to date.
